Dear Madam or Sir:

I understand that under **Section 6 of RESPA** you are required to acknowledge my request within 20 business days and must try to resolve the issue within 60 business days. Please treat this letter as a "qualified written request" under the Real Estate Settlement Procedures Act, 12 U.S.C. Section 2605(e).

I am writing to you to complain about the accounting and servicing of my mortgage and my need for understanding and clarification of various charges, credits, debits, transactions, reversals, actions, payments, analyses and records related to the servicing of my loan from its origination to the present date. To date, the documents and information I have, that you have sent me, and the conversations with your service representatives cannot answer my many questions.

It is my understanding that your company has been accused as engaging in one or more predatory lending and servicing schemes. As a citizen, I am extremely concerned about such practices by anyone, let alone my own mortgage company or anyone who has held a beneficial interest in my loan. I am concerned that such abuses are targeting the uneducated and uninformed consumer and disadvantaged, poor, elderly and minorities.

Needless to say, I am more concerned as an alleged borrower. I am worried that potential fraudulent and deceptive practices by unscrupulous mortgage brokers; sales and transfers of mortgage servicing rights; deceptive and fraudulent servicing practices to enhance balance sheets; deceptive, abusive and fraudulent accounting tricks and practices may have negatively affected my credit rating, mortgage account and/or the debt or payments to which I am legally obligated.

Because of this and other reasons that leave me to believe that I may be a victim of predatory lending, I am disputing the validity of the current debt you claim I owe. By debt I am referring to:

1. The principal balance claimed owed;
2. My calculated monthly payment,
3. Calculated escrow payment
4. And any fees claimed to be owed by you or any trust or entity you may represent.

DISPUTE OF DEBIT/VALIDATION OF DEBT

TILA REQUEST

I have reason to believe that the loan terms were misrepresented to me at the time of application and further obscured and/or modified prior to signing. I believe that my income may have been inflated on the application. I also have reason to believe that certain statements were not provided for my approval prior to closing, and that signatures may have been forged on various documents. It is also my belief that certain documents may have not been presented at all. Additionally, I believe that a notary was not physically present to witness my signatures on several pertinent documents and that I was ill advised at the time of closing.

To independently validate my debt, I need to conduct a complete exam, audit, review and accounting of my mortgage loan from its inception through the present date. Upon receipt of this letter, please refrain from reporting ANY negative credit information [if any] to any credit-reporting agency until you respond to each of my requests.

I also request that you kindly conduct your own investigation and audit of my account since its inception to validate the debt you currently claim I owe. I would like you to validate this debt so that it is accurate to the penny!

Please do not rely on previous or current servicers or originators records, assurances or indemnity agreements and refuse to conduct a full audit and investigation of my account.

I understand that potential abuses by you or a previous servicer could have deceptively, wrongfully, unlawfully and/or illegally:

1. Inflated the appraisal of my home at time of purchase
2. Increased the amounts of my monthly payments;
3. Increased the principal balance I owe;
4. Increased my escrow payments;
5. Increased the amounts applied and attributed toward interest on my account;
6. Decreased the proper amounts applied and attributed toward principal on my account; and/or
7. Assessed, charged and/or collected fees, expenses and misc. charges I am not legally obligated to pay under my mortgage, note and/or deed of trust.

I am thinking about contracting my local attorney to perform a forensic document review of your investigation and audit of my account. To help me decide if I am going to move forward with attorney, I need:

(1) copies of all documents pertaining to the origination of the alleged mortgage and note including my loan application (s), Right to cancel, deed of trust, note, adjustable rate note, addendum to the note for the interest only payment period, truth in lending statements, good faith estimate (GFE), HUD 1, appraisal, and all required disclosures and rate sheets associated with this transaction for the above referenced loan. The copies should be legible and all documents shall be copied in their entirety.

TILA REQUEST

(2) A copy of the loan history including all payments made, all fees incurred, what has been paid out of the escrow account, and how all payments were applied. This information should cover the **ENTIRE** life of the loan.

The New York Times newspaper reported on June 21, 2010 about bank investors who rely on loan-to-value ratios. It is well known that the higher the loan relative to an underlying property's appraised value, the more likely the borrower will walk away when financial troubles arise. I am sure I have been a victim of such predatory practices leading to an inflated appraisal of my property at the time of purchase.

To validate this, I will be authorizing a thorough review, examination, accounting and audit of my mortgage **LOAN # 182639401** and **LOAN # 182648651** by a team of mortgage auditors predatory lending experts, consumer advocates, local non-profit agencies, compliance consultants and if needed my attorney. This exam and audit will review my mortgage loan file from the date of my initial contact, application and the origination of my loan to the present date written above.

As such, please treat this letter as a Qualified Written Request under the Real Estate Settlement Procedures Act, codified as Title 12 § 2605 (e)(1)(B) (e) and Reg. X § 3500.21(f)2 of the United States Code as well as a request under Truth In Lending Act [TILA] 15 U.S.C. § 1601, et seq. RESPA provides substantial penalties and fines for non-compliance or failure to answer my questions provided in this letter within sixty (60) days of its receipt.

In order to conduct the examination and audit of my loan, I need to have full and immediate disclosure including copies of all pertinent information regarding my loan. The documents requested and answers to my questions are needed by myself and my experts to insure that my loan:

1. Was originated in lawful compliance with all federal and state laws and regulations including, but not limited to RESPA, TILA, Fair Debt Collection Act, HOEPA and other laws;
2. That any sale or transfer of my loan was conducted in accordance with proper laws and was a true sale of my note;
3. That the claimed holder in due course of my promissory note and/or deed of trust is holding such note in compliance with State and Federal laws and is entitled to the benefits of my payments;
4. That all appropriate disclosures of terms, costs, commissions, rebates, kickbacks, fees etc. were properly disclosed to me at the inception of my loan;
5. That each servicer and/or sub-servicer of my mortgage has serviced my mortgage in accordance with the terms of my mortgage, promissory note and/or deed of trust;
6. That each servicer and sub-servicer of my mortgage has serviced my mortgage in compliance with local, state and federal statutes, laws and regulations;
7. That my mortgage loan has properly been credited, debited, adjusted, amortized and charged correctly;
8. That interest and principal have been properly calculated and applied to my loan;
9. That my principal balance has been properly calculated, amortized and accounted for;
10. That no charges, fees or expenses, not obligated by me in any agreement, have been charged, assessed or collected from my account;

Handwritten signature or initials, possibly "JAP" or similar, in black ink.
