Dear Mr. LaPorta:

Thank you for your prompt request. In reviewing these statements, I see there is a past due amount listed. The Principal Curtailment program works in conjunction with a HARP 2.0 refinance, and in order to qualify for that refinance, you can't have any late payments in the 12 months prior to your applying. I can proceed to underwrite your file, but just want you to be aware that this may disqualify you from refinancing.

You may want to contact your lender to see if you qualify for the HARP 2.0 refinance.

Thank you.

Dear Mr. LaPorta:

I am the underwriter who is reviewing your application for the Principal Curtailment Program. Everything looks good so far, but I will need current statements for both your first and second mortgage with Bank of America. Please fax both to the number listed below and reference your Homeowner ID number which is #115444. Make sure the statements reflect your name, the property address, the full loan number and the unpaid principal balance. Could you also send a copy of your driver's license? We have a copy of your passport on file but prefer to have a Nevada ID.

Thank you.
